

## **PAYDAY INFORMATION**

All referees are paid through the Arbiter system. After you have completed a game, login to Arbiter ([www.ArbiterSports.com](http://www.ArbiterSports.com)) and go to your game schedule. In the Notes column for the game you completed you will see a red "R." Click on the red "R," enter the game score, and save the information so that it is submitted to the referee assignor.

If you are the center referee for a U12 or U14 game, select the appropriate status of the assistant referees in the drop down menu for each assistant referee and then submit your game report. Remember that assistant referees are paid based on the center referee's game report. Be sure to submit your game reports as soon after the game as possible so that everyone receives a paycheck in a timely manner.

It is very important to keep track of your games and know what you get paid for and what you don't. Please download the Tracking Sheet provided to keep an accurate listing of all games.

Pay checks are processed twice per month. You should receive your checks around the 1<sup>st</sup> and 15<sup>th</sup> of the month.

If you have any problems with your pay checks, please contact Bob Richwine at 712-325-1015 or [jrrich@cox.net](mailto:jrrich@cox.net). DO NOT contact the person that issues you the check.
